

Greenhorn Valley

Colorado City, Rye, San Isabel, Hatchet Ranch

If you are seeking friendly, family-oriented country living, look no further!
The Greenhorn Valley is the undiscovered treasure of Southern Colorado

Nestled against the lush Wet Mountain Range and bordering the San Isabel National Forest, our community boasts two fishing lakes, nearly a dozen trails suited for hiking or biking, the world famous Bishop's Castle, the gateway to the Frontier Pathways Scenic and Historic Byway, the 27 hole Holly-dot Golf course, plus year round recreation to entice any fun seeker.

Although most necessities can be found locally, Pueblo is just a 20 minute drive away. Colorado Springs is one hour and we are a mere two hour drive from Denver. In short, here you can have it all; the fun and convenience without the hustle and bustle of the city.

Our Schools are highly rated by the Colorado Department of Education and enjoy one of the best teacher to student ratios to be found.

So come on home to the Greenhorn Valley.
